CATHOLIC CHARITIES of SOUTH JERSEY ANNUAL DINNER 2026 Sponsor Packet

OCTOBER 21 RESORTS HOTEL, ATLANTIC CITY

ABOUT THE EVENT

The Catholic Charities Annual Dinner serves the purpose of honoring the extraordinary service performed by individuals who demonstrate commitment to social justice and the needs of the poor while also raising funds that allow Catholic Charities to provide direct assistance to those they serve.

Every penny raised is used to serve those in Southern New Jersey who are in need, regardless of their faith. Inflation, higher costs of living, and the lack of affordable housing are affecting families like never before. The Annual Dinner enables us to provide mercy and comfort to those in our communities including those who are experiencing hunger, economic challenges, personal and family crises, and other hardships.

The Annual Dinner helps ensure Catholic Charities is there to meet the needs of our clients, allowing us to provide essential services such as food pantries, addictions healing services, veteran resources, homelessness prevention strategies, domestic violence support, immigration services, and other vital programs that work to create stabilization and self-sufficiency for individuals, families and communities.

About Catholic Charities of South Jersey

MISSION

Catholic Charities of South Jersey is a faith-based agency rooted in the Gospel and in the social teaching of the Catholic Church. We provide Social services to, advocate for, and empower the poor, oppressed and vulnerable. We do this on a non-sectarian basis throughout the six southern New Jersey counties.

Providing Hope since 1936 – From our humble roots when we started as the Catholic Aid Society to today, our mission has not changed: to serve the poor and vulnerable and to do so with dignity and respect. Each year, we serve more than 25,000 people in the six counties of the Camden Diocese.

VISION

Rooted in the Gospel and in Catholic social teaching, we seek to transform the lives of people in need, with a special emphasis on reaching out to people and groups who are not fully part of the communities of South Jersey because they are poor and vulnerable.

Through innovative, caring social services and because of our high standards and expectations, we seek to provide appropriate service to all who ask for our assistance.

Our search for change and transformation leads us to create innovative partnerships with Catholic parishes and service organization, other social service agencies, Federal, State and local governments and all people of good will.

Our genuine concern for justice means that we advocate for people and communities. Because we are wise stewards of our resources, funders, donors and volunteers can confidently entrust their time, treasure, and talents with us.
